IN THE **Same Space**

"Charles Soule's *In The Same Space* is an espionage thriller worthy of John Le Carre, deftly blended with the edge-of-your-seat suspense found in the best plot twists of John Grisham. Making excellent use of the sylvan backdrop of Nantucket Island and the historic beauty of Boston, the author quietly lulls the readers into this story and then abruptly takes them on a wild ride to unexpected destinations."

- Ellen Tanner Marsh, *New York Times* best-selling author

Jack Kendrick is an ordinary man leading an ordinary life. Sure, he has dreams, he wants to make his hobby his career and still be able to support his wife and two children, but he never dreams that he will be forced to defend his innocence when he becomes the prime suspect in the murder of a DEA agent.

When Jack finds it difficult to explain a chain of coincidences to the authorities he begins an investigation of his own that leads him into a world of intrigue, danger, and international terrorism.

With plenty of surprises and suspense, *In the Same Space* by Charles E. Soule, unleashes an ambitious and thrilling story that will strike a cord with its readers of how delicate the balance of one's life really is.
